ZEBRA® P120*i* CARD PRINTER

FULL COLOUR DUAL-SIDED CARD PRINTING AT SINGLE-SIDED PRINTER PRICING

Now you can affordably take advantage of the space on the back of your cards. The Zebra P120*i* is the most affordable dual-sided, full colour card printer in an industry-leading compact design, ideal for space-constrained environments.

Zebra's P120*i* brings you dual-sided printing at an unprecedented price. The printer is made with high strength plastics and advanced electronics, using patent pending technologies, for high reliability and lower maintenance costs. Its intuitive design simplifies set-up and reduces training costs. The translucent card cover allows you to see when card supply is running low and the printhead is easy to replace - no tools required!

KEY FEATURES

- Double sided, full colour or monochrome printing
- Magnetic encoding
